2. Today you are up there with the old Breton saints too be sure on our beaches, our chapel and when we will pray to the Virgin of Callot Be close to us in our prayers, through the fields and our work

3. You have preached the Gospel in our corner of the world, Saint Carantec blessed, stay with us for us to be faithful to the law of the Church, Son of Mary, hands in the hand of Jesus.

4. By showing a paradise here on the rock you led our ancestors Carantec Holy Father, today the world is dark with blinded souls. Be the shining light throughout our lives.
